Tenders will be evaluated in terms of the Supply Chain Management policy of the Emakhazeni Local Municipality aligned to preferential procurement policy framework Act 5 of 2000 .The Method for evaluation of Consortium and professional service providers is based on functionality price and preferential(80/20 preference). Master Registration Number and tax compliance status PIN to enable the municipality to verify the bidder's tax compliance status must be attached. Service providers must be registered at central supplier database (CSD). Service provider must also ensure that their BBBEE certificate or Sworn affidavit is still valid as they will have a big impact during evaluation processes.

NB: Only locally produced goods, services or works or locally manufactured goods, with a stipulated minimum threshold for local production and content will be considered.
